Do not wear a mask if you have been medically advised not to, cannot endure complications, or have compulsive iata syndrome. This is not medical or legal advice. Readers assume all risk.

# COVID-19 is not like the flu:

- 100 times more contagious
  - 10 times more deadly
- Accelerates morbidity factors (like diabetes, asthma, heart, stroke)
- Causes chronic blood clotting
- Causes long-term fatigue and more
  - Is not “catch once” and forget

## So wear a mask.

Wear a Mask  
Keep us Open  
Keep America Healthy  
and Beautiful

In shops and cafe's **it's State Law.**  
In public spaces it's **smart & courteous.**
